Job Description:

Well known aquarium and pond service company seeks experienced aquarist to join our team.

Responsibilities include detailed husbandry practices of freshwater aquariums, saltwater aquariums, ponds and water features both in-house and in the field in residential and commercial environments.

A typical workday begins at our facility at 7:30 AM. We work Monday – Friday, with some weekend and evening hours as needed to accommodate our clients' schedules.

Minimum Requirements:

- Prior fish-keeping experience
- Creative ability to troubleshoot problems in the field
- Familiarity in all phases of aquarium equipment, including all types of life support systems used in our industry
- Basic understanding of plumbing, electrical, and light construction
- Professional appearance and demeanor (you will be working in customers' homes and businesses)
- Ability to lift in excess of 50 lbs
- Must have clean driver's license and be substance free

We value aquarists who are:

- Customer focused
- Responsible and motivated
- Punctual
- Dedicated and detail/deadline oriented
- Willing to learn (we provide on-the-job training)

Benefits:

We offer our employees a unique and fun working environment, competitive compensation based on experience and a benefits package that includes:

- Medical
- Dental
- Vision
- Paid Time Off (PTO)
- Sick Days
